Dear Wendy,

Thank you for helping to make the National Association for Female Executives' 2003 **Top 30 Companies for Executive Women** event such a huge success! Your workshop session on "Secrets of Cold Calling for Women" received enthusiastic participation and praise.

NAFE is grateful for your contribution to the professional development of our dynamic members. We know that speakers such as yourself, make a difference in how they look at their work and their lives. Look for additional conference information and photos on our web site at www.nafe.com and in the Spring issue of *Executive Female* magazine.

With best regards,

Melissa Wahl
Executive Director
