Re: NYWICI June 3 Cocktails & Conversations

Dear Wendy,

Thank you so much for your wonderful presentation on cold calling. You took every businessperson's nightmare and turned it into something user friendly.

We so appreciated your willingness to share your expertise with our members and guests. I know many of us came away with terrific tips on how to approach a very essential part of our businesses -- calling strangers!

Thank you again for a great job. It was a treat to have you as our speaker to close the NYWICI season for Cocktails & Conversations. Best wishes for continued success with your book, "Cold Calling for Women: Opening Doors & Closing Sales."

Sincerely,

Debbie Kunen
