Dear Wendy,

Your talk at our recent PrintImage International Conference was both informative and motivational! Attendees report that you were the highlight of what was an already terrific conference. Even now I continue to hear how your information has helped to develop new business.

Thank you for being such an integral and important part of our Conference. You were professional and easy-to-work-with. We look forward to having you speak again at another PrintImage International event.

Thank you again.

Sincerely,

Steve Johnson
