Dear Wendy,

Thank you for conducting the recent "Mastering the Cold Call" workshop.

We have terrific products, a terrific service and a talented sales team, but in spite of all that, before the workshop my sales team was having difficulty "getting in the door."

But no more! My team is now easily setting numerous new business appointments with qualified prospects. Thanks to you and your workshop they are excited and energized-and bringing in new business!!

We look forward to a continuing training relationship with you.

Thank you.

Sincerely,

Rodney Evans
