Dear Wendy:

Thank you for speaking at the **Asian Women In Business (AWIB)** "*Sales Techniques and Closing Sales*" workshop held on January 21, 2003.

At the workshop, attendees learned innovative ways to get their foot in the door and close a sale. They also picked up pointers on honing their current sales techniques. The interactive session, the Q&A at the end and the anecdotal information you provided were highlighted by the attendees in the evaluation.

Once again, we appreciate you sharing your experience and time with our participants and in helping make the workshop a success.

Sincerely

Sujatha K Rao
